

NITHA COVID-19 Vaccine Rollout Script – Version #3

“Hello, I am _____ of the _____ and I’d like to talk with you about the COVID-19 Vaccine that has arrived in our communities. This vaccine is safe and will help save lives. Our community health care teams continue to keep our families and communities safe. They are now offering the vaccine to health care workers, Elders, and to those 50 years of age and older. Other community members will be vaccinated as more vaccine become available.

COVID-19 is a public health threat and we all must continue to do our part by following the Public Health Guidelines.

- **Wash hands often and wear a mask in indoor public places**
- **Stay 2 meters apart and avoid gatherings**
- **if you have symptoms of covid-19, please get tested and stay home.**

“We encourage you to get vaccinated. Together, we can keep each other safe, healthy and COVID-19 Free.”
