## PUBLIC SERVICE ANNOUNCEMENT:

### COVID-19 Outbreak Declaration for Hatchet Lake Dene Nation

**Monday, June 28, 2021 12:00HRS**

Northern Inter-Tribal Health Authority (NITHA) public health officials have declared an outbreak of coronavirus (COVID-19) in the community of Hatchet Lake Dene Nation following an increasing number of confirmed cases linked to multiple gatherings in the community with evidence of community transmission. Contact tracing investigation is underway.

Hatchet Lake Health team is working with NITHA and Prince Albert Grand Council to contain the outbreak. At this time, prevention remains the best way to protect yourself. These include getting your COVID-19 vaccine shot, wearing face masks, maintaining 2 meters physical distancing, washing your hands, staying home if sick, and following the public health guidelines.

Symptoms of COVID-19 can vary from person to person. Symptoms may also vary in different age groups. Some of the more commonly reported symptoms include:

- new or worsening cough
- shortness of breath or difficulty breathing
- temperature equal to or over 38°C
- feeling feverish
- chills
- fatigue or weakness
- muscle or body aches
- new loss of smell or taste
- headache
- gastrointestinal symptoms (abdominal pain, diarrhea, vomiting)
- feeling very unwell

Public health officials are advising individuals who are experiencing symptoms to immediately self-isolate if they have had or currently have symptoms of COVID-19 and to call HealthLine 811 or their community health clinic to arrange for assessment and testing.

Please get your COVID-19 vaccine shot if you have not done so. For more information on self-monitoring and self-isolation, visit [saskatchewan.ca/COVID19](https://saskatchewan.ca/COVID19)
