Meadow Lake Tribal Council

LLRC Numeracy Consultant (2025-2026 School Year Contract) Employment Opportunity

MLTC was created by nine First Nations located in north-west Saskatchewan who have constitutionally recognized aboriginal rights and Treaty Rights under Treaties #6, #8 and #10. The primary purpose of MLTC is to serve those First Nations in their aspirations for cultural, economic and political autonomy. As a private sector employer engaged primarily in promoting and serving the interests of the member First Nations, MLTC asserts its right to provide preferential treatment to First Nations people, giving them priority in decisions on employment matters such as hiring, and this can extend to measures such as opening competitions only to First Nations people.

- *This competition is open to all applicants; and*
- *Preference will be given to qualified First Nations applicants or other Indigenous applicants who self-declare as being a First Nations person or of other Indigenous ancestry;*

The Meadow Lake Tribal Council is seeking a LLRC Numeracy Consultant to join the Office of Education. The LLRC Numeracy Consultant will support the implementation of the LLRC curriculum, best-practice instructional strategies, and assessment initiatives. This position will use an Indigenous lens to coordinate and support teachers in implementing LLRC Curriculum competencies, strength-based assessment for learning that align with School Success Plans and Land-Based Calendars. This position will develop meaningful and supportive relationships with MLFN schools, to ensure consistency between program supports and MLTC.

Duties & Responsibilities:

- Attend regular internal meetings with Coordinators/Consultants based on the involvement in regard to the specific initiatives
- Responsible for the implementation of school-based needs and providing long-range second-level service & delivery – modeling, co-planning, co-teaching, co-assessment.
- Monitoring and follow-up on project timelines
- Regular communication with designated school-based administrators and coordinators/consultants/coaches
- Support for all event planning details and collaboration with team members
- Providing consulting services to Mathematics teachers within 9 MLFN schools.
- Assisting school-based administrators and teachers in researching and implementing best practices in the delivery of mathematics programs.

- Supporting the implementation of the approved curriculum, and quality instruction and assessment at all MLFN schools.
- Implementing best practices of teacher/catalyst improvement to assist all MLFN teachers and catalysts in improving their quality of instruction and assessment including, but not limited to team teaching, modeling, one-on-one in class support and assistance with lesson development.
- Providing support and professional development for Math Catalysts in Tier 2 math intervention.
- Assist with MLTC Office of Education initiatives and other duties as assigned

Required Education, Knowledge, Qualifications and Experience:

Minimum:

- A Bachelor's Degree in Education
- Five (5) years of classroom teaching experience.

Preferred:

- Master's Degree or commitment to begin studies in a field appropriate to the Math education.
- Five (5) plus years of classroom teaching experience.

Other:

- Saskatchewan Professional A Teachers' Certification or the ability to obtain such standing.
- Experience in working with First Nations' Schools & Communities.
- Willing to travel to the First Nation Communities.
- Ability to work within a team setting and independently.
- Support land, language, relationship & culture initiatives.
- Knowledge and/or willingness to obtain training to support MLTC's initiatives.

Interested applicants are invited to submit: A letter of application; resume stating qualifications and employment history, copies of credentials, current RCMP Security Clearance (Criminal Record Check inclusive of the Vulnerable Sector Check); copy of valid driver's license; and three (3) current professional *supervisory* references to:
